

**Please Read First**

**Dear New Acupuncture Patient,**

*Thank you for making an appointment with me to begin improving your health with acupuncture. I congratulate you on your decision to take steps toward improved well-being. I look forward to working together to correct any imbalances that are presently causing your health challenges.*

*I would appreciate your careful consideration in answering the questions in the attached forms. By completing these forms with as much information as possible it will improve the accuracy of your assessment and allow us to have a more effective consultation. This reduces the need for extended consultation time and this subsequently saves you money and improves the care that I can provide for you.*

***Please fill out forms to the best of your ability and bring completed forms with you to your initial acupuncture consultation. If there are any questions you don't know how to answer, please leave them blank and we will discuss it at your appointment.***

*Acupuncture is unique in its approach to health. I practice acupuncture in the style of Classical Chinese Acupuncture. This type of acupuncture looks at the body as a whole and treats it accordingly to relieve symptoms and promote health and wellness. As looking at the body as a whole takes time, our first visit may involve acupuncture or may be assessment only depending on the complexity of your case. Acupuncture will start either in our first or second visit together.*

***In addition to being a Registered Acupuncturist, I am also a Naturopathic Doctor. If you are interested in exploring acupuncture as part of your treatment, this can be done either through my work as a Naturopathic Doctor or as my work as an Acupuncturist. Acupuncture can qualify for insurance reimbursement through either naturopathic benefits or acupuncture benefits depending on your benefit plan. In order to maximize your coverage from your benefits, before filling out this package of forms please check your benefit plan to ensure you have coverage for Registered Acupuncture. If you do not have any Registered Acupuncture coverage or you have both types of coverage, we recommend you fill out the Naturopathic New Patient forms rather than these forms. If you have coverage for Registered Acupuncture without available Naturopathic coverage or are an existing naturopathic patient at our clinic, please fill out this package of forms.***

*Thank you for your time in advance, and I look forward to working with you to achieve your optimum health.*

***Dr. Carrie Meszaros, B.Sc., N.D., R.Ac.  
Naturopathic Doctor & Registered Acupuncturist***

**We request a minimum of 48 hour notice if you cannot keep your appointment.** Our answering machine and email are available during times when our office is closed. Adequate notice allows us to fill your appointment time with a patient on our wait list. **Cancellations with less than 48 hour notice will be charged 50 % of scheduled visit cost because inadequate notice makes it difficult to fill the appointment space that has been saved for you. If your appointment is missed without a cancellation call or email you will be charged 75% amount of the visit.** We do understand extenuating circumstances might apply which may make 48 hour notice impossible (emergencies/illness/weather/unforeseen events) and take these under consideration when enforcing our late cancellation policy.

Please note that if you arrive late for your appointment, only the balance of time that had been booked for you can be used and you will be charged for the full visit length. For the respect and convenience of our patients and for efficient operation of our clinic, we endeavour to keep scheduled appointments on time. However, complications and emergencies do arise at times in patient care and in these circumstances; we appreciate your patience and understanding.

Clarification emails or short phone calls (5 minutes or less) about existing treatment plans or to update us about significant health changes are encouraged without an associated fee. This would include clarifying instructions, reporting any new side effects associated with current treatment plans or any changes in prescription medications. Telephone consultations and emails that require lengthy responses are professional services and may be subject to a fee. Telephone calls of more than 10 minutes with our Naturopathic Doctor/Acupuncturist will be billed as consultations.

I have read and fully understood this fee schedule and office policies and I accept the terms outlined.

**Patient Informed Consent to Treatment for Acupuncture at The Naturopathic Care Centre**

I, or the person listed below, have discussed with Dr. Carrie Meszaros N.D., R.Ac., the specifics of my assessment or treatment and understand the nature, risks and reasons for this procedure. I voluntarily consent to Traditional Chinese Medicine/Acupuncture and understand that I may withdraw my consent and halt my participation at any time.

1. I understand that some of the techniques used under the scope of Traditional Chinese Medicine include the use of sterile, single-use needles to penetrate the skin. Additional treatment methods can include, but are not limited to: acupuncture, acupressure, the electrical stimulation of needles or moxibustion. Before any of these procedures are performed, my practitioner will discuss my treatment options and only proceed if my consent is given.

2. Acupuncture is very safe but rarely can cause slight pain, light-headedness, headaches, nausea, soreness, bruising, bleeding or infection, and the very rare possibility of more serious medical consequences of needle punctures such as pneumothorax or nerve damage. As with any medical procedure there is also the possibility of other unforeseen risks. I freely accept the risks involved with my procedure.

3. I will inform my practitioner if I currently have or develop any major health issues, if I suffer from any type of major bleeding disorder, or if I use a pacemaker.

4. I understand that I must let my practitioner know if I am carrying, or believe to have any infectious agents, including but not limited to HIV, TB and Hepatitis.

5. I understand that there are no guarantees for the results of my treatments. Traditional Chinese Medicine does not often provide an instant cure. The length of my treatment depends on the severity of my condition. In some cases my symptoms may temporarily worsen before they begin to improve.

6. I understand that the fees charged for my treatment are not covered under OHIP and must be paid in full at the end of each visit.

7. I have discussed the content of this form with my practitioner. I acknowledge that I have asked any questions I may have and received answers I understand. By signing this form, I give my informed consent for Traditional Chinese Medicine treatments.
