We request a minimum of 48 hours notice if you cannot keep your appointment. Our answering machine and email are available during times when our office is closed. Adequate notice allows us to fill your appointment time with a patient on our wait list. **Cancellations with less than 48 hours notice will be charged 50 % of scheduled visit cost because inadequate notice makes it difficult to fill the appointment space that has been saved for you. If your appointment is missed without a cancellation call or email you will be charged 75% amount of the visit.** We do understand extenuating circumstances might apply which may make 48 hours notice impossible (emergencies/illness/weather/unforeseen events) and take these under consideration when enforcing our late cancellation policy.

Please note that if you arrive late for your appointment, only the balance of time that had been booked for you can be used and you will be charged for the full visit length. For the respect and convenience of our patients and for efficient operation of our clinic, we endeavour to keep scheduled appointments on time. However, complications and emergencies do arise at times in patient care and in these circumstances; we appreciate your patience and understanding.

Clarification emails or short phone calls (5 minutes or less) about existing treatment plans or to update us about significant health changes are encouraged without an associated fee. This would include clarifying instructions, reporting any new side effects associated with current treatment plans or any changes in prescription medications. Telephone consultations and emails that require lengthy responses are professional services and may be subject to a fee. Telephone calls of more than 10 minutes with our Naturopathic Doctor/Acupuncturist will be billed as consultations.

I have read and fully understood this fee schedule and office policies and I accept the terms outlined.
