Services and Fees

Cancelled Appointment - with less than 48 hours notice	50% of scheduled visit
Missed Appointment - without notice	100% of scheduled visit

Patients that are currently naturopathic patients are exempt from the initial and second visit acupuncture assessments and will be booked instead for either a 30 or 45 minute acupuncture consultation for their first acupuncture visit. Reviewing supplement plans and recommendations and ordering or reviewing blood tests are naturopathic activities that are not within acupuncturist scope, if an acupuncture visit contains these activities the visit will be billed as either a naturopathic visit or a combination of naturopathic and acupuncture.

Within one business day of booking a new patient visit, \$100 deposit is required to finalize the booking (instructions on how to pay in your booking confirmation). This \$100 will be used toward payment for your first visit. If this deposit is not received within 48 hours of booking your appointment will be cancelled. Prior to 48 hours before a new patient booking this deposit can be transferred to a rescheduled appointment. Changes within 48 hours of a scheduled appointment will forfeit this deposit as per our cancellation policy.

We request a minimum of 48 hours notice if you cannot keep your appointment. Our answering machine and email are available during times when our office is closed. If you would like to reschedule 3 days or more before your appointment this can be done through our online booking. Adequate notice allows us to fill the time set aside for your appointment with a patient on our wait list. **Cancellations with less than 48 hours notice will be charged 50 % of scheduled visit cost. If your appointment is missed without a cancellation call or email you will be charged 100% amount of the visit.** We do understand extenuating circumstances might apply which may make 48 hours notice impossible and take these under consideration when enforcing our late cancellation policy (emergencies/illness/weather/unforeseen events).

Please note, if you arrive late for your appointment, only the balance of time that had been booked for you can be used and you will be charged for the full visit length. For the respect and convenience of our patients and for efficient operation of our clinic, we endeavour to keep scheduled appointments on time. However, complications and emergencies do arise and, in these circumstances, we appreciate your patience and understanding

Clarification emails or short phone calls (5 minutes or less) about existing treatment plans or to update us about significant health changes are encouraged without an associated fee. This would include clarifying instructions, reporting any new side effects associated with current treatment plans or any changes in prescription medications. Telephone consultations and emails that require lengthy responses are professional services and may be subject to a fee.

I have read and fully understood the above description of this fee schedule and office policies and I agree to honour it. In the case of a no show or last minute cancellation I accept the fees associated and authorize the charges. Fees for health services and supplements are due when services are rendered and may be paid by cash, cheque, Visa, MasterCard or Debit.
